

# International Women's Day

On this International Women's Day we wanted to shine the spotlight on some of BWCI's inspiring women past and present.

## Zoe Domaille

Zoe Domaille works in one of our administration teams and not only does she do an excellent job looking after her clients she dedicates her free time to inspiring the next generation. Zoe started cheerleading with Rebellion Allstars in 2016, the same year she joined BWCI. She gained coaching qualifications and began training athletes from age 3-6 in Pre-Stunts/ Partner Work, Stunting, Tumbling and Jumps. She regularly attends off-island competitions and currently assists in coaching all ages from around 18 months all the way up to 60+!

Additionally, Zoe also runs the Fundraising Team for the Program (along with her Mum), attending Seafront Sundays, Small Business Markets and running regular fundraising events such as Bingo Nights & Quizzes. Currently she also make all the products we sell on the fundraising team such as crocheted items (bunting, keychains etc), Customised Items (jumpers, Tote Bags, Zip Pouches and Coasters), Bows and a whole lot more! It's inspiring to see how much Zoe fits in whilst doing a great job for us working full time.
