

BWCI purchases Orion Insurance Management Limited

The BWCI Group is pleased to announce that it has acquired regulated insurance manager, Orion Insurance Management Limited. Orion acts as manager to two well-known local general insurance businesses; La Fraternelle Mutual and Foresters Healthcare.

This acquisition diversifies our range of services by expanding BWCI's insurance offering, as well as securing the long-term management of two key insurance providers which have a prominent role in our local community.

Orion Insurance will continue to operate with the same team from their offices on Gategny Esplanade. Clair Le Poidevin has taken over as Managing Director of Orion in succession to David Le Poidevin, who is leaving the business to pursue an alternative career.

BWCI Senior Partner, Stephen Ainsworth said:

We are delighted to welcome the team at Orion into the BWCI Group and wish David Le Poidevin every success in his future career. As well as expanding our insurance business, and enhancing our range of services, the acquisition of Orion is complementary to our expanding pensions business following the launch of secondary pensions in Guernsey last year.
