

# Anthony Brewer - New BWCI Partner

BWCI is delighted to announce the promotion of Anthony Brewer to Partner.

Anthony joined BWCI in August 2023, having previously worked in the defined benefit pension industry in London for over a decade and qualifying as a Fellow of the Institute and Faculty of Actuaries in 2015.

Anthony works within BWCI's Investment and Pensions Consultancy teams and provides advice to our clients on a wide range of topics, including long-term strategy and investments. He also leads BWCI's services to defined benefit pension schemes looking to wind-up, for example through an insurance buy-out.

Anthony commented *"I am very grateful for the promotion. BWCI has provided me a fantastic opportunity to work with a great mix of colleagues and clients on a multitude of interesting and stretching projects. I very much look forward to working together to continue to develop BWCI's consulting services."*

Stephen Ainsworth, BWCI's Senior Partner said:

Anthony has been leading an expanding part of our consultancy services, particularly to defined benefit pension schemes and is a first-rate consultant. We are delighted to welcome him to the partnership.
